

# NAPPEC

**NAPPEC** – the National Association of Power Producing Entities Corporation is an association dedicated to the NERC compliance efforts of every power producer in the United States, Canada and Mexico; to bringing together members for the purpose of training, interpretation and compliance with NERC and FERC standards; to represent the members before Congress and other legislative bodies; to standardize compliance procedures; to offer training resulting in **NAPPEC** Certification for NERC compliance managers; and to offer webinars and seminars at conventions with energy industry professionals.

**NAPPEC** is a membership based organization that provides its members with various rights and privileges as set forth in the Membership Agreement. **NAPPEC** members will have influence on what products and services will be offered to the membership. **NAPPEC** will offer reduced cost training as well as free CIP-001-1 training to its members.

**NAPPEC** is offering a Certified Reliability Standards Auditor (CRSA) course and a Certified CIP Auditor (CCIPA) course beginning in April, 2009. These four (4) day courses will teach the proper way to prepare your organization for complying with the NERC requirements for compliance. **NAPPEC's** instructors have conducted more than sixty (60) combined audits in all of the NERC regions and have assisted in the creation of this unique training program. For more information and to view the training schedule please visit our website at [www.nappec.com](http://www.nappec.com) and click on the Training link.
